PAINT IN THE STUNNING REGION OF THE DORDOGNE, FRANCE.

The beautiful area of Dordogne, an undiscovered part of France by North Americans is the perfect place for your art holiday.

Come live a week in a beautifully renovated home in a French Village, slow down, enjoy leisurely 2 hour lunches, buy your food at the local butcher, bakery and go to the weekly market all while painting the life around you.

Painters of all levels are encouraged to join, including beginners.

Meet your host

John Climenhage has been painting, teaching and exhibiting throughout North America since 1989. As an art-instructor, he has taught all ages from art schools to public schools and college. His studio practice and "en plein air" landscapes experiment with post modern approaches to abstract spaces based on philosophy and quantum physics.
